

PURELY PERSONAL.

The Movements of Many People, Newberrians, and Those Who Visit Newberry.

Oscar Gentry of Newberry was in this section Friday.—Big Creek cor Saluda Standard.

H. H. Blease, Esq., of the Newberry bar, was among those attending court yesterday.—Laurens Advertiser, 10th.

Miss Rosa Gray spent the week-end in Newberry as the guest of Miss Troxelle Wright.—Laurens Advertiser, 10th.

Miss Nannie McDonald is visiting Miss Carrie Nell Swindler in Newberry.—Greenwood Index-Journal, 9th.

Mr. T. O. Stewart, a well known representative of the American La-France company, is in the city today.—Greenwood Index-Journal, 9th.

Mrs. P. E. Scott of Newberry has been spending several days at the home of Dr. and Mrs. T. T. Moore in Sumter street.—The State, 9th.

Mrs. Alma Seybt of Pomaria, accompanied by her niece, Miss Nellie Rae Seybt, spent the week-end with her sister, Mrs. Mattie Crooks.

Mr. and Mrs. R. J. Foster and two children have returned from a stay with relatives at Newberry.—The State.

Mr. and Mrs. J. B. Kempson of Slighs spent Tuesday in the city with her sister, Mrs. B. B. Hiller in Cline street.

Luceo Gunter, State supervisor of rural schools, will come to Prosperity Friday afternoon to go to the meeting at Excelsior. Mr. Gunter will explain the advantages of a consolidated school and give the people a better idea of building and organizing.

Mr. James J. Hill returned to Newberry last Sunday. He was deputy agent at Roswell, Ga., but the Southern railway let the charter expire, which discontinued the office there, throwing Agent Hill out on his other resources. Roswell is said to be a good place. The Southern ought to do better than that.

Mr. A. Forrest Counts returned on Wednesday from a pleasant visit to Orangeburg, a pretty, progressive place. That's what he says, and you know when a man gets warmed over a town, there must be a reason. From the way he talks, and looks, he had a most delightful time. We'll bet he takes another trip.

Hon. George S. Mower, of Newberry, past grand high priest of Royal Arch Masons, was in the city last night at the meeting of the Greenwood chapter, No. 37 R. A. M. as representative of Mr. S. T. Latham, of Spartanburg, grand high priest, and assisted in conferring degrees on 12 candidates. Mr. Mower returned to Newberry this morning.—Greenwood Index-Journal, 9th.

Rev. T. C. Croker was in the city Tuesday morning for the first time since he was stricken with apoplexy. He was at his accustomed place in the pulpit preaching when the stroke came, five weeks ago. Rev. Mr. Croker is the well beloved pastor of Smyrna church and has many friends in the county and city who will be glad to hear of his recovery, and who will hope that he may be spared yet many years to continue his good work in useful and helpful life.

Dr. Robert W. Houseal stopped over in Newberry between trains Wednesday, returning to his duties in Augusta from a visit to his brother, W. G. Houseal, Jr., medical student at the Johns Hopkins university. The latter had been very ill, the case being of a puzzling nature until young Doctor Houseal arrived and pronounced it to be a case of "sleeping disease," to use the language of the common people. Dr. Houseal reported his brother as having a mild attack and that he was much improved, which good news will be gladly received by the many friends here. There were many of these cases, as so pronounced by this already eminent young physician, who is gaining a national reputation as a foremost diagnostician.

VARIOUS AND ALL ABOUT.

When woman suffrage comes will women scrap? Cotton is still 40 cents, seed continuing at \$1.

A case of smallpox in the Oakland mill village was reported by Dr. Houseal Thursday morning.

It would not do for a reporter to publish all that he hears. Some of it, however, would make spicy reading.

Looks like more rain and too much rest. It is warming up now, but everybody agrees that this has been the coldest March.

Rev. J. E. Meng of Greenwood will preach at Mt. Zion Sunday morning at 11 o'clock and at West End Sunday night at 7:30.

The influenza situation is reviving a little. Seven new cases were reported Thursday morning, making 52 cases now on hand.

A young man went to a garage to get his auto tire "scandalized." His machine was in bad fix with a "leak-

ing reservoir" and other things.

We regret that Rev. W. S. Holmes has the influenza at his home in Laurens, which keeps him from coming to Newberry and holding the Lenten services he had announced.

Every time a new man comes to Newberry we take him to be either an insurance agent, an automobile salesman, a mule dealer or beef market man, until we find out better.

A man went to a certain postoffice in South Carolina and wanted a package by purcell post. No doubt he had heard that Purcell did a tremendous business.

If the automobiles get more numerous some of us will have to go about in flying machines to get out of the way. It was a sight to see the rush of cars in this city Saturday.

Those well known cattle men, Boözer & Hutchinson, bought 55 head of the fine beef cattle the Johnson-McCrackin company had on hand this week.

It is much better to be called out to a little fire than to a big one. But large or small the reputation of the Newberry company for controlling fires is the finest in the state, according to all reliable reports.

The republican congressional convention for this district will be held in Newberry on next Tuesday, called by County Chairman G. C. Williams. The convention will elect delegates to the national convention.

At the Helena colored school Wednesday one pupil shot another. William Scott, who did the shooting is in jail awaiting the result of the wounds inflicted on Henry Gary. Another case of boys handling firearms.

A young fellow came to this office Tuesday afternoon and got a copy of The Herald and News. Said he wanted to see how to drive his auto and would read the law as he drove along. That ordinance sure takes some reading.

The new proprietors of the former J. T. Dennis store, Messrs Charles Paysinger and son Fred, had a rat killing time a couple of nights last week. What the rats lacked in number they made up in weight and age. One big rat was so old he was good white.

Maybe some of you don't know Blanche Bates. She will show up in "The Third Generation," the picture to be exhibited at the opera house Friday. She plays a New York society girl, as Betty Brice, who "sticks" by a man she loves despite his loss of financial standing.

A certain young man in this city says he didn't know that so many people all over the county read The Herald and News until a week or so ago, when he heard numerous times from every direction something concerning an item in this variation column.

To show that it "pays to advertise," one man found the reporter's lost pencil, another man borrowed it and failed to return it to the finder, and finally it came back to the owner. While thanking them, would also thank other men who have contributed pencils.

Probate Judge W. F. Ewart is still engaged in the pastime of marrying couples between acts of his other official duties. Saturday afternoon a youthful looking colored couple, Silas Wise and Hattie Renwick, both of Prosperity, were married by the smiling judge.

The salary of City Clerk and Treasurer Chapman was raised \$15 a month by city council at the meeting Tuesday night. Among other business transactions at the meeting was the buying of a Ford truck for the health department. Council also decided to build a 34-foot shed at the barn for the new machinery.

The bond commissioners appointed by Mayor Eugene Blease were sworn in on Monday afternoon. Mr. F. Z. Wilson was made chairman of the commission, with Mr. T. K. Johnson as clerk and treasurer. The other commissioners are Messrs H. L. Parr, T. Roy Sumner and J. Marion Davis. It is a fine commission board.

Robert Wilson, colored, fell in an epileptic fit at the corner of Friend and Caldwell streets, opposite T. M. Rogers' jewelry store, and received severe bruises on his forehead. He was given medical attention and carried home, reviving from his stupor. Wilson is subject to these attacks. He was street cleaner in the place of Dick Stewart, who is at home owing to the illness of his wife.

The Lydia school in Clinton was hard hit by the influenza. The school was taught by Mrs. Annie P. Oxner of Newberry as principal, with three assistants. Among the sick were the four teachers, and of course the school was closed. One of the teachers, Miss Estelle Dominick died on Monday morning at 1 o'clock, at her home in Prosperity. The other teachers recovered.

County Organizer Hal Kohn states that a post of the American legion has just been organized at Prosperity and that application for the charter has been forwarded to headquarters. With the recently organized post at Newberry college, the combined membership of the posts in this county now runs over the 200 mark,

and it is expected to have a greater per cent enrolled by the end of summer.

A couple came to the probate judge's office late Saturday and told Judge Ewart they wanted him to marry them. After the judge had written the license the man informed him that he already had a license. As Judge Ewart destroyed the license he had written he did not remember the full name of the man except that he was a Mr. Riley of Saluda; the lady's name was Miss Maude Smith of Leesville. They were then married.

Seeing Mr. "Zeke" Crump limping up Main street Wednesday morning with one arm in a sling and one part of his loose hand bandaged, it was thought he had been ditched by an automobile or something, as he said he had sustained "three compound dislocations," but the accident resulted in his falling off a ladder in Spartanburg. The people along Mr. W. A. Wherry's city route where Mr. Crump has been substitute in delivering mail, as well as other people of the community, will be glad that the accident was no worse.

A citizen came very near being run down by an automobile on the public square Saturday. In the noise and confusion of so many cars he did not see or hear the car at his heels until it was close enough to make him hustle for his safety if not for his life. Everybody is waiting to see the new law enforced. The cars running in and out of the square from the four corners of the earth is "something else." There is entirely too much waiting and dodging to be done on the part of people attending to their business in this city.

If you don't know what an optical edging machine is, and want to know, see Jeweler T. M. Rogers, who, in addition to his line of jewelry, watches, clocks, etc., has glasses for all sorts of eyes and noses. He has ordered the machine for grinding lenses, which will enable the citizens of Newberry to have such work done here instead of being compelled as heretofore to send it abroad. This is a good movement on the part of Mr. Rogers, who not only sells the article he deals in but is able to repair such personal property. The optical machine ought to be a paying investment for him, as it will also be an accommodation to the public.

Death of Mr. M. A. Carlisle.

Mr. Milton Anderson Carlisle died suddenly at his home in this city Wednesday night, as he was found dead in bed on Thursday morning. Not answering the call to breakfast, investigation was made with the result as stated. His death came as a great surprise to the citizens of this community, as he was seen by many of them while on the streets Wednesday afternoon. Mr. Carlisle had only a few days ago returned from a visit to his son and daughter.

The funeral arrangements had not been made up to our press hour, the burial being held over awaiting the arrival of his children.

"Judge" Carlisle, as he was familiarly called ever since he held the office of magistrate in Newberry, was 79 years old. He was once an active, prominent and useful citizen. Besides magistrate, he was for a number of years president of the First National bank of Newberry and was at one time county chairman of the Democratic party.

Mr. Carlisle is survived by four children as follows: Edwin A. Carlisle of Springfield, Ohio, Mrs. W. M. Kennedy of York, Mrs. R. M. Kennedy of Newberry and J. Renwick Carlisle of Columbia.

Dickert-Dickert.

Miss Blanche Dickert, and Mr. Wyche Dickert were married by the Rev. E. V. Babb on Thursday afternoon at 3:30, at the First Baptist church parsonage, and left on the 4 o'clock Southern train for a bridal trip. The bride was stenographer at the National bank. The groom is a recently discharged soldier from the regular army. He graduated from Newberry college in the class of 1918, and is a rising young business man of the city, being president of the Sanitary Cleaning club. Mrs. Dickert is one of the charming daughters of Mr. and Mrs. J. L. Dickert of Newberry. Lasting joy be with the happy young couple.
